STD UPDATE: EXPLORING WHAT IS NEW SATELLITE CONFERENCE AND LIVE WEBCAST

Wednesday, February 24, 2010 • 8:00-9:00 a.m. (Central Time)
9:00-10:00 a.m. (Eastern) • 7:00-8:00 a.m. (Mountain) • 6:00-7:00 a.m. (Pacific)

This program will provide information on the current trends of Chlamydia, gonorrhea, and syphilis transmission by gender, race, age, and geographical residence in the state of Alabama. It will also explore the latest STD clinic protocol changes for the Alabama Department of Public Health. This program seeks to initiate a dialogue regarding clinical challenges and possible solutions.

PROGRAM OBJECTIVES

1. Describe current STD trends in Alabama.
2. Identify different ways to test, examine, and treat all patients seeking STD services.
3. Discuss clinical challenges and possible solutions.

FACULTY

Anthony Merriweather, MSPH
STD Director
Alabama Department of Public Health

Agnes Oberkor, MSN, MPH, CRNP
State STD Management Consultant
Trainer and Congenital Syphilis Coordinator
Alabama Department of Public Health

The Alabama Department of Public Health is an approved provider of continuing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (Expires on January 28, 2011.)

The content of this program is based on the policies and procedures of the Alabama Department of Public Health, Alabama and federal statutes, rules, regulations, and guidelines. Viewers not employed by the ADPH should always check to clarify whether the content is accurate according to the statutes, regulations, and policies of their jurisdiction and agency.
