Objectives:

1. Articulate reason for webinar for elected local officials and what we can all gain from collaboration and partnerships
2. Discuss what we know about Zika virus transmission, prevention and management
3. Introduce the Alabama Zika Action Plan (ZAP) to participants
4. Explain the role of local elected officials in the implementation of the ZAP
5. Discuss vector control actions already taken by the Alabama Department of Public Health and current state of vector control in Alabama
6. Describe Baldwin, Madison and Mobile counties vector control programs
