

ARE WE READY?

Assisting People with Functional/Access Needs During Disasters

Conference Location: Jefferson County Department of Human Resources (formerly the Social Security Administration Building) 2001 12th Avenue North - Birmingham, AL 35234

Conference Purpose: The purpose of this training is to provide an overview of best practices used in assisting and communicating with persons that have functional and access needs during disasters (FAND). FAND individuals include mothers and children with special health care needs, seniors/aging population, and people with sensory/cognitive/emotional disabilities. Additional populations with access needs include veterans, group home residents, substance abusers, mentally ill persons, inmates/ex-offenders, high school and college students, and homeless individuals.

Registration is available through LCMS: The registration deadline is Friday, October 24, 2014. There will be NO ON SITE REGISTRATION.

FAN Accommodations: American Sign Language Interpreters will be available upon request. Please contact Elana Merriweather via e-mail elana.parker@adph.state.al.us by Friday, October 24, 2014 for any special accommodations needed for this training.

CDC Disclaimer: Funding for this conference was made possible (in part) by the Centers for Disease Control and Prevention. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

CEU Information: A request for Continuing Education has been submitted for nurses, EMTs, social workers, and counselors. Approval is pending. If your respective discipline is not listed, you will need to contact your professional state licensing board to request approval prior to attending the conference. Course information will be made available upon request if needed.

Nursing Statement: The Alabama Department of Public Health is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Mileage Stipends: A limited number of mileage stipends will be made available for reimbursement to private consumers with disabilities and/or caregivers of consumers that need assistance with transportation to and from the conference. This stipend can be used for one CEP conference per year. Mileage stipends are not available to state government and nongovernmental employees. Please e-mail elana.parker@adph.state.al.us to apply for a mileage stipend.

Lunch: Lunch accommodations have been made available through Panera Bread. A boxed lunch can be purchased for a flat rate of \$10.00.
