

## ALABAMA'S ADAP –MEDCAP PRESCRIPTION AND FORMULARY INFORMATION - 2015

Alabama's ADAP formulary offers a minimum of one medication from each HIV antiretroviral class approved by the U.S. Food and Drug Administration (FDA).

### Alabama ADAP Eligibility Criteria

1. **Medical Eligibility Criteria = HIV diagnosis documented by lab test confirmation**
2. **Financial Criteria = Total Gross Household Income at or below 300% of the Federal Poverty Level (FPL)**
3. **Alabama Resident = (A PO Box is accepted to confirm a physical Alabama residence with other documentation to confirm client is a permanent Alabama resident)**
4. **No public or private third party payer source to provide the same service provided with Ryan White funds.**
5. **Remain compliant with ADAP Client Eligibility Reassessment (CER) 2x/year**

***A 30-day supply of each medication is shipped each month on a regular schedule** from the ADAP Central Pharmacy to the ordering Clinic for the Client or designee to pick up.*

***ADAP/MEDCAP Prescriptions will be active for 12 months** but all ADAP prescriptions only must be updated for each client on active and waiting ADAP during Client Eligibility Reassessment (CER) twice a year. This does NOT apply to MEDCAP enrollees for 2015.*

***MEDCAP prescriptions for medications NOT on the formulary** are to be written on the blank page (last page) of the Prescription Form – 2015. ***MEDCAP clients please send completed and signed medication prescription orders directly to the Central Pharmacy for prescription fills.****

***Generic formulations will be dispensed when available** unless the Clinician specifically requests the Brand formulation when ordering a medication.*

***ASAP shipment requests must be approved by the ADAP Coordinator based on the clinic's next regular scheduled medication shipment that is more than 7 working days from the date of the ASAP request.***

***Pre-approval must be obtained from the ADAP Coordinator for any medications to be shipped to an alternate site.** Permission for the ADAP Central Pharmacy to ship medications outside of the Clinic will be limited to a pre-approved Physician's order for home delivery due to a Client's poor medical condition limiting travel to the clinic for medication pick up.*

***Medication Pre-approval is a requirement for several medications on the ADAP formulary.** For assistance to complete pre-approval processes, please contact Rosalyn Wilks, RN/ADAP Coordinator at **1-866-574-996**).*

***Failure to pick-up ADAP medications for three (3) consecutive months will result in the Client's ADAP enrollment status being changed to "Inactive" due to non-compliance with medication adherence.***

***Failure to complete Client Eligibility Reassessment (CER) will result in the Client's enrollment status made "Inactive" due to failure to complete the CER enrollment requirement.***

***Clients in "Inactive" or "Denied" enrollment status may reapply to be considered for enrollment in ADAP at any time through a Social worker/Case manager or Clinician to complete the ADAP application process.***

***When there is an ADAP waiting list,** approved applications are placed at the back of the waiting list and placed on active ADAP on a first-come-first-serve basis with no medical criteria.*

***The Alabama ADAP Formulary is on the Drug Assistance Program web page at: [adph.org](http://adph.org)***
