

**Medicare Part D Client Assistance Plan (MEDCAP)
(BI-ANNUAL RECERTIFICATION SELF-ATTESTATION Document)**

Alabama's Ryan White HIV/AIDS Part B MEDCAP program assists with monthly premiums and co-pays for medications for Clients with Medicare Part D who would otherwise be eligible for ADAP.

MEDCAP enrollees are required to complete the Ryan White HIV/AIDS Part B MEDCAP Eligibility Determination Process EACH YEAR even if already enrolled in MEDCAP for the Previous Year.

All RWHAPB MEDCAP clients must recertify twice a year/every six months to remain eligible for RWHAPB MEDCAP services.

If you have had any changes to RWHAPB MEDCAP eligibility requirements (i.e. residency, income, extra help, other insurance, etc) add attachment to online MEDCAP application.

(Self-attestation verification can be either face-to-face, email, secured fax or by telephone during MEDCAP Bi-Annual Client Eligibility Review (CER). For telephone verifications please date and write per client's authorization next to the client signature line on this form along with any documentation changes.)

In the past 6 months have you had any changes to RWHAPB MEDCAP requirements?

Yes _____ No _____

Client Name (Print) _____ Date _____/_____/_____
