COALITION COORDINATOR/FACILITATOR

Job Description - responsible for planning, implementing, and evaluating activities associated with the Coalition to include providing: general oversight for coalition activities and associated projects; grant development, submission, and management; state and national reporting; and technical assistance to local/regional coalitions and partnerships that focus on asthma. The Coordinator will work to develop and implement strategies that will lead to long-term involvement of community institutions, organizations and individuals in health promotion, assessment, and evaluation activities.

Responsibilities:
1. Report to lead agency and Coalition leadership
2. Work as team member with lead agency staff/administrators to meet program goals
3. Continually broaden expertise in the area of asthma and serve as resource person
4. Conduct literature/resource reviews to identify best practices for coalition
5. Represent coalition through professional associations locally, statewide and nationally
6. Recruit and maintain a diverse coalition membership with state and national partners
7. Serve as Coordinator/Health Planner for coalition by coordinating activities such as:
   - Direct needs assessment activities
   - Develop instruments and protocols for testing effectiveness of coalition strategies
   - Conduct community health planning activities
   - Collect, manage, and analyze community health indicators data
   - Direct coalition in developing health policies related to asthma
   - Collaborate with other local, states and national organizations focusing on asthma
8. Assist coalition members in conducting annual strategic planning and guide coalition to develop a comprehensive action plan based on needs-assessment and strategic planning
9. Develop and implement data collection methods, tools, and evaluation measures for coalition activities and associated projects in conjunction with coalition members
10. Coordinate and facilitate coalition meetings and communicate effectively with members to promote collaboration, negotiation, and problem solving
11. Plan, coordinate, and conduct educational and training activities. Develop training, reference materials, and workshops for coalition and community members and coalition activities
12. Continually maintain and develop content for the coalition website
13. Collaborate and work closely with the health department administrators, legislators, heads of health plans, hospitals, physicians’ health organizations, related businesses, academic institutions and community-based organizations to promote coalition’s mission and goals
14. Develop marketing and media materials, campaigns, and opportunities in conjunction with the external affairs staff and statewide media consultants/network.
15. Direct and assist coalition to develop legislative action that promotes the coalition mission by: developing position statements; reviewing and recommending endorsements of policies, and advocating for policies/legislation at state/federal levels.
17. Serve as a consultant to develop community partnerships. Work with local groups on:
   - Coalition development and maintenance
   - Community health planning and needs assessments
   - Health outcomes evaluation
   - Improving immunization delivery
   - Developing effective health plans and policies

18. Conduct annual site-visits to other local/state coalitions and provide consultation

19. Continuously evaluate coalition effectiveness and coalition strategic plan

20. Document findings and progress of programs and activities in written quarterly reports to lead agency, other funding agencies, and coalition members

21. Manage and oversee expenditures of coalition budget (or contract). Seek and write grant proposals to obtain additional funding

22. Report and present coalition progress and program findings through publications and presentations at national meetings/conferences

23. Direct the work and activities of coalition administrative support staff. Supervise, mentor, and direct the work activities of students and assigned temporary staff

**Qualifications:**

- Masters’ degree or relevant experience in public health or related field such as health education, administration, policy/planning, or in community/organizational psychology; or bachelor’s degree and 5 years of appropriate experience in managing or coordinating a community-based public health or voluntary health-related agency could be substituted for advanced degree.
- At least 2 years of experience with health education programs in community setting
