

**Eco-Healthy
Child Care®**

OFFERED IN COOPERATION WITH
THE ALABAMA DEPARTMENT OF PUBLIC
HEALTH

Train the Trainer

**Monday, May 12, 2014
9:30 am – 3:30 pm**

Montgomery County Health Department
3060 MOBILE HIGHWAY
MONTGOMERY, ALABAMA 36108

Who Should Attend: Child Care Nurse Consultants, Child Care Educators, Child Care Licensing Staff, Education Consultants, Head Start/Early Head Start Health Managers, Regional Childcare Management Agency Staff.

The science-based and award-winning **Eco-Healthy Child Care® Program** supports child care providers in reducing children's exposure to environmental health hazards while directing parents to child care facilities that are eco-healthy.

In this 5.5-hour Train the Trainer session, you will learn the free or low-cost steps that child care providers can take to protect the children in their care from common environmental hazards:

Pesticides and Pest Prevention ● Air Quality ● Household Chemicals
Lead ● Mercury ● Radon ● Treated Playground Equipment ● Tobacco-Free
Furniture and Carpets ● Art Supplies ● Plastics and Plastic Toys

Participants are eligible for CEUs from the CDC at no additional charge. Additional CEUs for nurses/social workers, through ADPH, are pending.

OVER **99%** of the child care professionals who attended this session would recommend it to others.

Cost: \$25 for materials; (Fee is waived for state licensing staff-contact Carol Stroebel)

Registration: Go to www.cehn.org/ehcc and click on "registration" button.

Advance registration and payment is required. Registration opens **[February 18, 2014]** closes **[April 14, 2014.]**

Space is limited.
