2015 ELMORE COUNTY HEALTH DEPARTMENT

Provides caring, quality services that affect every person in Elmore County—not just those who walk through health department doors.

The Bureau of Clinical Laboratories provides quality laboratory results

for the following programs: maternity, family planning, child health, STD, tuberculosis control, diabetes, HIV/AIDS, newborn screening and environmental services.

Alabama's Children's Health Insurance Program

increases access to care for eligible, uninsured children ages birth through 18, and served 1,967 Elmore County children in the month of August 2015.

WIC provides nutrition assessment, education, and nutritious foods at no cost to a monthly average of 1,356 limited-income pregnant, breastfeeding and postpartum women

pregnant, breastfeeding, and postpartum women, infants, and children up to age 5 at nutritional risk in Elmore County and a monthly average of 139,000 statewide.

Licensed public health social

workers provide case management/care coordination for family planning, newborn screening disorders, elevated lead levels, home health, and other services.

Made 292 visits to regulate and permit onsite sewage disposal systems and

oversee treatment and disposal of septage and other permitted wastes.

Prevents the occurrence and spread of rabies

within the human and animal population of Elmore County by investigating reports of 115 exposures to animal bites.

Provided confidential testing, treatment,

counseling,
partner referral,
and epidemiologic
investigations for most
sexually transmitted
diseases in 590 support
nurse visits.

Confidential and professional family planning services

were provided in 1,708 visits by Elmore County residents. A wide range of services is available regardless of income to prevent unintended pregnancies through education and contraceptive services.

Offers a tobacco Quitline free to Alabama residents.

Free call, free coaching, and free nicotine patches (if medically eligible and in coaching) to help tobacco users quit. Call 1-800-QUIT NOW or go to Quitnowalabama.com

Provides breast and cervical cancer screening

to uninsured and underinsured women age 40-64. The Elmore County Health Department screened 93 women in 2015.

Newborn screening

detects genetic or metabolic conditions, thereby reducing morbidity, premature death, intellectual and other developmental disability through early detection and follow-up.

Regulates the possession, use and disposal of radioactive materials

radioactive materials and equipment, and administers a radon and naturally occurring radioactive materials program.

Responds to storms, floods, disease outbreaks, nuclear power plant accidents, and

other emergencies.
Employees provide
training, coordination,
and response to
disasters and partner
with local first
responders for health,
medical, and social
services.

Assists rural and medically underserved areas

by working with health care providers and organizations to prepare grants and provide workforce development.

Protects patients/ residents of health care facilities from

abuse and neglect. Works to ensure facilities comply with state and federal standards. Requires corrective action when surveys find facilities are noncompliant. Assures that emergency medical services meet or exceed established standards.

including childhood
and adult vaccines.
Provided Alabama
Certificates of
Immunization required
for school entry.

The Alabama Department of Public Health works closely with your community to protect the public's health through emergency preparedness activities, health care coalitions, training and response.

The mission of the Alabama Department of Public Health is to serve the people of Alabama by assuring conditions in which they can be healthy, and has served Elmore County since 1927. Our purpose is to provide caring, high quality, and professional services for the improvement and protection of the public's health through disease prevention and the assurance of public health services to resident and transient populations of the state regardless of social circumstances or the ability to pay.

All services from the Alabama Department of Public Health are provided to eligible persons without regard to race, color, creed, national origin, political beliefs, handicaps or sex. Payment for services varies. No one will be denied services if unable to pay.
