

EMSP LICENSE RENEWAL REQUIREMENTS

The information listed below is to assist you in providing the necessary documents along with your application & appropriate fee to renew your EMS license. It is NOT necessary to provide a criminal history release form when renewing your license, we already have one on file.

FEE OPTIONS:

- Standard two year renewal - \$10.00
Please send check or money order made out to ADPH Office of EMS.
- One year renewal - \$5.00
Please send check or money order made out to ADPH Office of EMS.

All active EMSP must have a form completed by their service's off-line Medical Director, or an on-line Medical Director or authorized designee attesting to their mastery of the skills and knowledge of the Alabama Treatment Protocols. As a part of completing the form, the physician or authorized designee will randomly select three protocol scenarios from a selection of scenarios provided by the Office of EMS. The EMSP must satisfactorily verbally complete the selected scenarios based on the Alabama EMS Patient Care Protocols and the physician or authorized designee must attest to this by signing off on a protocol certificate including the EMSP's name, license number, level, and physician's signature and/or authorized designee.

If you have never been Nationally Registered, you MUST provide Full Protocol Certificate and an official typed CPR card.

Reciprocity Information

EMSP

You must be a Nationally Registered EMSP to apply for the issuance of an Alabama EMS license. The license fee is \$10.00 for two years. You may contact Gary Mackey at gary.mackey@adph.state.al.us or call 334-206-5383. Applications are accessible at the top of this website page. Applications can be mailed or faxed to you upon request.

Out-of-State Intermediates are eligible at the EMT level.

Alabama Protocol education is required for ALL levels.

****NOTE** A LICENSE WITH DRIVER ON IT WILL NO LONGER BE ISSUED. DRIVERS MUST MAINTAIN CURRENT EVOC CERTIFICATION ON FILE WITH YOUR SERVICE.**

*****On-line renewal will be available from January 1, 2014 through March 31, 2014.**

PROTOCOL VERIFICATION

Protocol verification is a combination of physical skills and scenario competency testing. Listed below are the specific skills that each level should be evaluated on by a Medical Director or Training Officer, during their licensure period to determine proficiency. New protocol scenarios will be posted on the EMS website this month.
