

ATTs Issued for all EMS Levels

This State Annual Report is specific to Alabama. The following statistics encompass January 1 to December 31, 2015 in regard to initial and maintenance of National EMS Certification. The National Registry of EMTs serves to protect the public by providing a valid, uniform process to assess the knowledge and skills required for competent practice by EMS professionals throughout their careers and by maintaining a registry of certification status. Please call Anne Weideman, NREMT's State Office Coordinator, if you have any questions at 614-888-4484 ext. 165.
