March 18, 2016**

**Montgomery County
Health Department
3060 Mobile Highway
Montgomery, AL 36108**

Times to be determined

The Alabama Department of Public Health – State Perinatal Program through a grant funded by the Association of Maternal and Child Health Programs: Birth Outcomes Collaborative is pleased to partner with the Child Death Review System and the Emergency Medical Services for Children to bring Lt. James Carroll to conduct training in Alabama.

SAVE THE DATE!

"Give your community a DOSE of education!"
Baby Safe Sleep Initiative

Saving Lives. Guiding Futures. Inspiring Hope.

Direct On-Scene Education (D.O.S.E.) is a cutting edge approach to saving babies. Fire Rescue, law enforcement, first responders, and child protection investigators trained in D.O.S.E. identify unsafe infant sleep conditions when in the home to educate parents/caregivers, and provide a limited number of safe cribs.
