## **Objectives**

**At the end of the day, participants will be able to:**

- 1) Identify chronic disease factors that increase the risk of delivering an infant prematurely.**
- 2) Define prematurity and list the leading causes of prematurity in Alabama.**
- 3) Discuss perinatal depression and ways to identify women with signs of of perinatal depression.**
- 4) Discuss national prematurity rates and the research being conducted by the MOD to reduce prematurity rates.**
- 5) Differentiate between a safe sleep and un-safe sleep environment and ways to promote safe infant sleeping.**
- 6) Describe factors that put infants at risk for SIDS/SUID and identify ways to reduce those risks.**
- 7) Discuss the role of obesity in increasing the risk of prematurity.**
- 8) Discuss how socio-economic status and disparities increase the risk for prematurity and identify programs that can assist with reducing disparities.**

**The Alabama Department of Public Health is an approved provider of continuing nursing by the Alabama State Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.**

**The Alabama Department of Public Health is an approved provider of continuing social work education by the Alabama Board of Social Work Examiners.**

**You MUST attend 100 percent of the program to get CEU credits.**

## Prematurity Summit Speakers

**John Waits, MD:** Dr. Waits is a board certified family practice physician. He graduated from the University of Alabama School of Medicine in 2000. He is the CEO of the Cahaba Medical Clinic in Bibb County.

**Joey Biggio, MD:** Dr. Biggio is a board certified and practicing maternal fetal medicine specialist with over 15 years experience. Dr. Biggio is also the Associate Professor in the Department of Obstetrics and Gynecology at the University of Alabama at Birmingham. He works daily with complicated obstetric patients and addresses problems related to prematurity on a regular basis.

**Robin Lanzi, PhD, MPH:** Dr. Lanzi is the Associate Professor in the Department of Health Behavior School of Public Health at the University of Alabama at Birmingham. Dr. Lanzi's activities center on reducing family and child health disparities in order to improve the health and well-being of children and families.

**July Lilley, BS:** Ms. Lilley is the Regional Director of Marketing and Communications with the March of Dimes.

**Michael Warren, MD, MPH:** Dr. Warren is the Assistant Commissioner with the Division of Family Health and Wellness at the Tennessee Department of Health. Dr. Warren oversees diverse initiatives related to improving the health and well-being of children and families all across Tennessee.

**Annie McCartney, MSN, WHNP-BC:** Ms. McCartney works full time in the Obstetrics Complications Clinic (High Risk OB) at the University of Alabama at Birmingham. She is also an adjunct instructor for the UAB School of Nursing.

**Nina Johnson, MD:** Dr. Johnson is a board certified and practicing pediatrician in Mobile, Alabama that specializes in providing care to children and adolescents.
