Turning The Corner For Children Conference

August 12, 2016
8:00 AM - 3:30 PM

Renaissance Montgomery
Hotel & Spa At
The Convention Center

Making Alabama a Better Place for Children

This conference will focus on the ongoing efforts of the Children's Policy Councils of Alabama on both the county and state level.

As budgets grow leaner, we must evaluate and replicate efforts that are working in various areas of the state. Many times, county leaders and policymakers are unaware of what may or may not be working in other counties to help meet children's needs. This conference will be an opportunity to share ideas with each other so we can go back to the local level and better continue our efforts to make this state a place where all children can thrive.

We look forward to seeing you on
August 12th!
