

# *2008 Alabama Worksite Smoking Policy Summary*

---

In 2008, Area Tobacco Control Coordinators (ATCCs) collected a total of 120 worksite tobacco policies. Of those policies collected 63% of worksites had 100% smoke-free buildings. The ATCCs will continue to work with the remaining 37% of worksites that were not smoke-free to implement one and also work with those with a weak tobacco policy to make it stronger.

## Grading Scale

---

Excellent-100% smoke-free buildings and “yes” on seven or more additional questions.

Good-100% smoke-free buildings and “yes” on four to six additional questions.

Adequate-100% smoke-free buildings and “yes” to three or fewer additional questions.

Inadequate-Buildings are not smoke-free.

## Evaluation Criteria
